- I understand that my A+ eligibility expires at the earliest of 48 months after high school completion, completion of 105% of credit hours required for the program I am enrolled in, or receipt of an associate's degree.
- I understand my high school must provide a high school transcript showing the official A+ designation.
- I understand that I must provide an official transcript from any other college I attended. The completed hours at previous A+ institution(s) will be used to determine my 105% maximum of A+ eligibility. The number of hours accepted as transfer credit from non A+ institutions will be used to determine my 105% maximum of A+ eligibility.
- I understand that to receive benefits I must be enrolled in at least 12 credit hours, unless I am in an internship only or in my last semester prior to graduation.
- I must complete at least 12 credit hours in a semester to receive A+ funding my next semester.
- Initial A+ students must maintain a cumulative 2.00 GPA. Renewal A+ students must maintain a cumulative 2.500 GPA.
- A+ currently pays standard tuition and fees required for all students for courses that are required for my first degree.
- A+ will only cover completed coursework. Completed courses are those for which a grade is assigned. If I do not complete coursework, the tuition and fees for that class(es) will be deducted from the next semester I receive A+.
- A+ will not cover repeated coursework.
- I must have all financial aid complete within 30 days of the start of the semester to receive A+ funding. If I am eligible for any Federal Grants, the grant will be applied to standard tuition and fees before A+, as stated in the A+ guidelines.
- If I lose A+ eligibility, I may regain it for future semesters if I meet the 2.500 cumulative GPA requirement, complete at least 12 credit hours, and am enrolled as a full-time student.
- I **must** complete a FAFSA form and any other required forms each academic year.
- I understand the college will administer the A+ Program according to A+ guidelines issued by the Missouri Department of Higher Education and any changes approved by the Missouri General Assembly. Additional A+ information can be found at <http://dhe.mo.gov>.
