

2017-2018 Verification Worksheet

Priority Deadline May 1

The Financial Aid Office received notification you completed a 2017-18 Free Application for Federal Student Aid (FAFSA) form. Your FAFSA application was selected for a review process called "Verification". Please complete the Verification Worksheet and return to the Financial Aid Office as soon as possible. **This worksheet must be completed on both sides.** If there are differences between your FAFSA application and the documents received, the Financial Aid Office will make corrections electronically to the federal student aid processor to have your information reprocessed. If you previously received an award offer, the corrections could change the amounts on that offer. If your financial aid changes, we will notify you of the change within 2 weeks to your State Tech student e-mail account.

Tax Information

Before your financial aid can be processed, we must verify the information you provided on the FAFSA form matches what you and/or your parent(s) submitted to the IRS. If you and/or your parent completed a 2015 Federal Tax Return, either the IRS Data Retrieval, IRS Tax Return Transcript, or photocopy of the tax return must be received. **In March 2017, the IRS removed the IRS Data Retrieval Tool as an option within FAFSA on the Web. Some taxpayers have requested Tax Return Transcripts from the IRS and have experienced delays in obtaining their transcript. Due to these issues, the U.S. Department of Education has recently released guidance stating we can accept a signed photocopy of 2015 Federal Tax Returns.** If you and/or your parent are not required to file a 2015 Federal Tax Return, go to Step 2. You must complete either Step 1 or Step 2 for the student and parent (if student is dependent).

Step 1) If you and/or your parent completed a 2015 Federal Tax Return, check the box that applies:
