Your 2019-2020 Free Application for Federal Student Aid (FAFSA) application was selected by the Department of Education for a review process called "Verification". If there are differences between your FAFSA application and the documents we receive, the Financial Aid Office will make corrections electronically to your FAFSA so it can be reprocessed. If you previously received an Award Offer, the corrections could change the amounts on that offer. If your financial aid changes, we will notify you of the change within 2 weeks to your State Tech student e-mail account.
