To be considered for admission to the Automotive Collision Technology program, submit all of the items listed below to the Office of Admissions:

- **Application for Admission** - Available online at [www.statetechmo.edu](http://www.statetechmo.edu) (no application fee).
- **Education Record** - Submit all that apply to you:
  - High school students will be given tentative admission based on a sixth or seventh semester transcript. An official eight-semester transcript from an accredited high school must be submitted after high school graduation and be mailed directly from your high school to the Office of Admissions. The final, original transcript must be in a sealed, unopened envelope (not faxed) and should include the date of graduation, final GPA, school seal, and signature of school official. 
  - Official passing high school equivalency test (HiSET or GED) score report - Missouri HiSET or GED score reports will be obtained online by the Office of Admissions. Fax copies are not accepted. High school equivalency graduates outside of Missouri should request that the State Department of Education in the capital city of the state in which they tested send an official copy of their score report to the Office of Admissions.
  - A home-school transcript
