Application Requirements for All Others:

1. **Application for Admission**, available online at www.statetechmo.edu (no application fee).
2. **Education Record*** - Submit all that apply to you:
 - High school students will be given tentative admission based on a sixth or seventh semester transcript. An official eight-semester transcript from an accredited high school must be submitted after high school graduation and be mailed directly from your high school to the Office of Admissions. The final, original transcript must be in a sealed, unopened envelope (not faxed) and should include the date of graduation, final GPA, school seal, and signature of school official.
 - OR
 - Official passing high school equivalency test (HiSET or GED) score report - Missouri HiSET or GED score reports will be obtained online by the Office of Admissions. Faxed copies are not accepted. High school equivalency graduates outside of Missouri should request that the State Department of Education in the capital city of the state in which they tested send an official copy of their score report to the Office of Admissions.
 - OR
 - A home-school transcript
 - OR
 - Transfer Student - Official college transcript(s) with 24 or more semester credits from an accredited higher education institution. If the applicant has earned less than 24 college semester credits, submit both the official college transcript and an official high school transcript or official passing high school equivalency test (HiSET or GED) score report or home-school transcript.

*Applicants who do not have an Education Record should contact the Office of Admissions.

3. **High School Attendance Record** form completed and signed by your high school counselor. Transfer students (students with 24 or more college semester credits from an accredited higher education institution), home school students, and students who earned high school equivalencies rather than high school diplomas do not need to submit the high school attendance record form.
