

Esthetics Contest

Contestants will perform a basic facial excluding the facial massage. They will then perform a facial massage. (This will be performed and judged individually.) They will complete a day time makeup application, and a theatrical makeup application. The theatrical make up should be of the theme Optical Illusion.

The description of the theatrical make up must be typed and presented upon check in on the day of the contest. All services of the esthetics contest will be performed on a live model. Contestants will also complete a written test, an oral assessment (mocking a phone conversation taking an appointment in a salon), and a PDP test.
