

Nail Care Contest

Contestants will form five pink and white sculpted acrylic nails on five fingers of a mannequin hand. They will apply tips to a second mannequin hand, and then apply a gel overlay to these five fingers. They will then complete nail art on the five fingers of the second mannequin hand (tips and gels), and polish the acrylic nails with dark red polish. The nail art theme must be typed and presented upon check in on the day of the contest. They will also complete a written test, an oral assessment (mocking a phone conversation taking an appointment in a salon), and a PDP test.
